A local family owned business since 1925 that you can trust for Advice, Quality goods at Competitive prices & Personal Customer Service.

The Tincknell Group is a family run business now in its 4th generation of management. The business was initially established in the small Mid Somerset City of Wells in 1925 by Robert Tincknell to meet the needs of the local farming community for general blacksmithing and ironmongery products. By 1935 when Frank Tincknell joined his father as a partner of R Tincknell & Son, the business had grown steadily and employed 12 people trading and repairing agricultural machinery.

In 2006 due to the decline of the agricultural market it was decided that we would concentrate on our key areas of business, this meant that we decided to withdraw from the agricultural machinery market. However we have kept our 2 country stores in Wells and Congresbury and are looking forward to introducing many new lines into these stores.

Announcements & Special Offers

Once listed you can also make announcements, special offers or seasonal promotions too. It's a great way of promoting your Congresbury business to our ever expanding newsletter subscribers and social media followers.

Your announcements & special offers make great content which in turn increases website traffic and points more people your way.

Our Facebook & Twitter following, along with the number of newsletter subscribers, is constantly on the rise so it's no surprise we're getting almost 4,000 page views each month.

Banner Advertising

As well as the directory listings and announcements, JustCongresbury.com also offers the opportunity for online banner advertising to further enhance your Congresbury brand.

JustCongresbury.com is a built using a "responsive design" which means that it will automatically fit any size of browser screen be it a laptop, tablet or mobile phone. The banner adverts are a fixed size so will all fit nicely within the design. The example below shows how adverts appear on a laptop.
